9. EPA and Settling Party recognize that this Settlement Agreement has been negotiated in good faith and that this Settlement Agreement is entered into without the admission or adjudication of any issue of fact or law. The actions undertaken by Settling Party in accordance with this Settlement Agreement do not constitute an admission of any liability by Settling Party. Settling Party does not admit, and retains the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Settlement Agreement, the validity of the facts or allegations contained in this Section.

III. PARTIES BOUND

10. This Settlement Agreement shall be binding upon EPA and upon Settling Party and its successors and assigns. 18. In addition to the Interest and stipulated penalty payments required by this Section and any other remedies or sanctions available to EPA by virtue of Settling Party’s failure to comply with the requirements of this Settlement Agreement, if Settling Party fails or refuses to comply with the requirements of this Settlement Agreement Settling Party shall be subject to enforcement action pursuant to Section 122(h)(3) of CERCLA, 42 U.S.C. § 9622(h)(3). These covenants extend only to Settling Party and do not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY EPA

22. EPA reserves, and this Settlement Agreement is without prejudice to, all rights against Settling Party with respect to all matters not expressly included within Paragraph 21 (Covenants for Settling Party by EPA). 23. Nothing in this Settlement Agreement is intended to be nor shall it be construed as a release, covenant not to sue, or compromise of any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, that the United States may have against any person, firm, corporation or other entity not a signatory to this Settlement Agreement.

IX. COVENANTS BY SETTLING PARTY

24. **Covenants by Settling Party.** Settling Party covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs, Settling Party's Past Response Costs, and this Settlement Agreement, including but not limited to:

24. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs or Settling Party's Past Response Costs.

24. These Settling Party's covenants, above, apply to and include, without limitation, costs incurred in connection with the Unilateral Orders and the Consent Orders.

25. Nothing in this Settlement Agreement shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

26. Waiver of Claims by Settling Party

26. **De Micromis Waiver.** For all matters relating to the Site against any person where the person's liability to Settling Party with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials;

(2) **De Minimis/Ability to Pay Waiver.** For response costs relating to the Site against any person that has entered or in the future enters into a final CERCLA Section 122(g) *de minimis* settlement, or a final settlement based on limited ability to pay with EPA with respect to the Site.

26. Exceptions to Waivers

26. The waivers under this Paragraph 26 shall not apply with respect to any defense, claim, or cause of action that Settling Party may have against any person otherwise covered by such waivers if such person asserts a claim or cause of action relating to the Site against Settling Party.

26. The waiver under Paragraph 26.a(1) (De Micromis Waiver) shall not apply to any claim or cause of action against any person otherwise covered by such waiver if EPA determines that: (i) the materials containing hazardous substances

contributed to the Site by such person contributed significantly or could contribute significantly, either individually or in the aggregate, to the cost of the response action or natural resource restoration at the Site; or (ii) such person has failed to comply with any information request or administrative subpoena issued pursuant to Section 104(e) or 122(e)(3)(B) of CERCLA, 42 U.S.C. § 9604(e) or 9622(e)(3)(B), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Site; or if (iii) such person has been convicted of a criminal violation for the conduct to which the waiver would apply and that conviction has not been vitiated on appeal or otherwise.

X. EFFECT OF SETTLEMENT/CONTRIBUTION

27. Except as provided in Paragraph 26 (Waiver of Claims by Settling Party), nothing in this Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement Agreement. Except as provided in Section IX (Covenants by Settling Party), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement Agreement diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613 (f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

28. The Parties agree that this Settlement Agreement constitutes an administrative settlement pursuant to which Settling Party has, as of the Effective Date, resolved liability to the United States within the meaning of Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(h)(4) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Settlement Agreement. The “matters addressed” in this Settlement Agreement are Past Response Costs.

29. The Parties further agree that this Settlement Agreement constitutes an administrative settlement pursuant to which each Settling Party has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

30. Settling Party shall, with respect to any suit or claim brought by it for matters related to this Settlement Agreement, notify EPA in writing no later than 60 days prior to the initiation of such suit or claim. Settling Party also shall, with respect to any suit or claim brought against it for matters related to this Settlement Agreement, notify EPA in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Party shall notify EPA within 10 days after service or receipt of any Motion for Summary Judgment and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Settlement Agreement.

31. In any subsequent administrative or judicial proceeding initiated by EPA, or by

the United States on behalf of EPA, for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Party shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by EPA set forth in Section VII.

32. Effective upon signature of this Settlement Agreement by Settling Party, Settling Party agrees that the time period commencing on the date of its signature and ending on the date EPA receives from Settling Party the payment required by Section V (Payment of Response Costs) and, if any, Section VI (Failure to Comply with Settlement Agreement) shall not be included in computing the running of any statute of limitations potentially applicable to any action brought by the United States related to the “matters addressed” as defined in Paragraph 28, and that, in any action brought by the United States related to the “matters addressed,” Settling Party will not assert, and may not maintain, any defense or claim based upon principles of statute of limitations, waiver, laches, estoppel, or other defense based on the passage of time during such period. If EPA gives notice to Settling Party that it will not make this Settlement Agreement effective, the statute of limitations shall begin to run again commencing 90 days after the date such notice is sent by EPA.

XI. ACCESS TO INFORMATION

33. Settling Party shall provide to EPA, upon request, copies of all records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as “Records”) within its possession or control or that of its contractors or agents relating to activities at the Site, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information regarding the Site.

34. Privileged and Protected Claims

34. Settling Party may assert that all or part of a Record is privileged or protected as provided under federal law, provided it complies with Paragraph 34.b, and except as provided in Paragraph 34.c

34. If Settling Party asserts a claim of privilege or protection, it shall provide EPA with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record’s contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Party shall provide the Record to EPA in redacted form to mask the privileged or protected information only. Settling Party shall retain all Records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in the Settling Party’s favor.

34. Settling Party may make no claim of privilege or protection regarding:

34. any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Site; or

34. the portion of any Record that Settling Party are required to create or generate pursuant to this Settlement Agreement.

35. **Business Confidential Claims.** Settling Party may assert that all or part of a Record submitted to EPA under this Section or Section XII (Retention of Records) is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Settling Party shall segregate and clearly identify all Records or parts thereof submitted under this Settlement Agreement for which Settling Party asserts a business confidentiality claim. Records that Settling Party claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Settling Party that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Party.

36. Notwithstanding any provision of this Settlement Agreement, the United States retains all of its information gathering and inspection authorities and rights, including enforcement actions relating thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

XII. RETENTION OF RECORDS

37. Until 10 years after the Effective Date, Settling Party shall preserve and retain all non-identical copies of Records now in its possession or control, or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

38. After the conclusion of the 10-year record retention period, Settling Party shall notify EPA at least 90 days prior to the destruction of any such Records and, upon request by EPA, and except as provided in Paragraph 34 (Privileged and Protected Claims), Settling Party shall deliver any such Records to EPA.

39. Settling Party certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed, or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States and that it has fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927.

given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice by email or by regular mail in accordance with this Section satisfies any notice requirement of this Settlement Agreement regarding such Party.
